Jasmine used to be a surfer girl in Huntington Beach, but when sharks started coming closer and closer to shore over the years, she decided she needed to find another way to make a living. So she left college one year early and took her blow job and fucking skills from surfer dudes to better-hung dudes and a much bigger audience.

BREANNE BENSON

I'M PRETTY and he's quite handsome.

Call me spoiled rotten, but I really did cute guys with good builds. They don't have to be as handsome as an Adonis or a Fabio, or even as hung as a John Holmes. I want a toned man who knows how to use his cock to please a woman. This woman. If I can't find one when I'm horny, then I'll just call my old college boyfriend, who was our school's All-American quarterback, and have him come over and fuck me good!

OFF THE RECORD

I'M SWEET BUT
VERY SASSY

KENNEDY LEIGH

Sometimes nature plays tricks on us, but Kennedy is not one of them. She is a true nature girl who loves to have fun, and then have even more fun. If you ever get a chance to party with her, go for it. You'll love it!

Us: Hi Kennedy. Did you enjoy your photo shoot? Were you turned on at all during it?

Kennedy: The shoot was exciting and yes, I was turned on by knowing hundreds of horny readers are going to be jerking off to my pictures.

Us: Besides modeling, do you do anything else in the adult entertainment business, like exotic dancing or movies.

Kennedy: I worked as a stripper and I did a couple of movies when I was not living in Los Angeles. At the moment, however, modeling is all I do.

Us: How would you describe yourself?

Kennedy: I think I'm sexy and sinful playful diva. I'm also an exhibitionist who loves being seen in the nude. I even entered some nude and wet T-shirt contests and even won a few.

Us: How do you feel when people are looking at you naked? Does it arouse you sexually?

Kennedy: I don't really know how to explain it. I feel a kind of a tingling sensation on my skin that makes me feel so alive. My clit throbs and my nipples get real hard. It's more than arousing, it's almost orgasmic!

KENNEDY

Us: Do you ever flash your boobs or pussy or your ass in public?

Kennedy: All the time. I don't wear underwear just for that reason.

Us: What do you think are your best assets, both physically and mentally?

Kennedy: Physically, I would have to say my boobs and my ass. Mentally, I am adventurous and outgoing, and I like going out.

Us: What is your sexual orientation?

Kennedy: I'm try-sexual. I will try anyone who turns me on.

Us: What type of men turn you on?

Kennedy: I love all types of men, but I get super wet for tall, well-built men that have sexy eyes and nice lips, and a pretty cock, of course.

Us: Do you have a type when it comes to females?

Kennedy: She has to look good and have nice boobs and a nice ass and naturally, she has to eat pussy.

Us: Are you into threesomes?

Kennedy: I'm into threesomes and more - some. The more the merrier!

Us: Can you describe your sexual personality.

Kennedy: I'm a wild and freaky female. I am a true sensualist who thinks that sex and fun should be woven together for everyone.

Us: Do you enjoy oral sex better with a woman or a man... and giving or receiving?

Kennedy: I know it's said that women lick pussy better than men, because women know how and where they like to be licked, but I don't agree.

KENNEDY

I enjoy receiving oral from anyone who wants to eat my pussy. I would rather give oral to a man, however, because I love to feel a thick, juicy cock growing in my mouth.

Us: How about teasing our readers by describing how you give a blow job?

Kennedy: When I give head, I like to keep it wet by swirling my tongue around the shaft while sucking in an up and down motion. I go all the way down, until I'm kissing his balls. And I'll toss his salad, unless he's jumpy about having his ass touched.

Us: I take it you enjoy having your ass licked.

Kennedy: Just bend me over and lick away!

Us: What is your favorite fuck position?

Kennedy: Any position that gives me control. My favorite is riding the guy cowgirl style. My pussy is naturally tight and when I tighten up those muscles, the guy is going to feel it right down to his toes. Plus I like to see his face under me as I am controlling the pace and the action.

Isis
Taylor

We've had the unbelievably good fortune to have these photos of Isis come across our desks. Now we want to share them with you. When they came in, we changed our cover girl pictorial and put this cutie in it's place. We were captivated by her beautiful face, great hair, killer body, and natural boobs. And that butt... What a piece of work. We debated it's virtues for more than an hour, and decided it should be bronzed.

DANI

Long, lean, and constantly craving cream, Dani Daniels is a “porn star’s porn star.” She embodies the best adult entertainment has to offer – a beautiful girl who enjoys mind boggling acts of sexual depravity. “I love my job! I love my fans!” Dani says. “The thought of so many men jerking off to me is a 24-7 aphrodisiac!” We are not sure what that word means, Dani, but you get us so horned up we’re going to beat our meat all over you!

BLAIR-NTS-00

Real life can get to be too much so sometimes you have to get further away to get closer. A vacation from each other may be just what the doctor ordered.

Sex Starved

I've been married for more than three years to a wonderful lady, Patience, and while we don't have any children, we're hoping to within a couple years. Like any normal couple, we argue, we laugh, we talk, we have fun, we have trust... but apparently not as much as I thought?

Patience can be a virtue worth waiting for.

Some four months ago, a job opportunity came my way, but it was in another state. After much discussion with Patience I took it. At first it was okay, she wasn't working but kept herself busy. I put some long hours in and she was in charge of unpacking the house. After a while this got boring for her and we slowly began arguing. I'd come home tired and she had spent the day cooped up in the house with nothing but boxes to talk to..

Then one day, without realizing it, the arguing seemed to stop. However, Patience seemed more than happy at home and I even took a mini-vacation just to be home with her and try to rekindle some of the fun we had been missing. But I also noticed there was more than fun that was missing.

I had to find out. The laptop computer was missing. Well, not really missing, just not where I normally keep it and many a time it would be warm, or when I went to use it for my work, I would see that the history had been erased completely. I asked Patience if she had been using it, but she said she really didn't know how to use it.

Patience had been befriended by one of the neighbor ladies who asked her to go out with her friends for some drinks. I encouraged her to go and make new friends and so that weekend, she joined the girls for a night out. Our neighbor was recently divorced so I thought it would be good to cheer her up. That Saturday night I stayed in watching television and was still awake at midnight when I heard a noise outside the house. I looked out the window and saw a couple women get out of a taxi and go into the neighbor's house; the only one missing was my wife. The next thing I know is being woken up at two am by Patience coming through the door. I asked her where she'd been and she said she had just got a taxi back with the girls. I even asked again

the next morning and sat in disbelief as she said how all three of them got a taxi back after club hopping. She did not know I had seen the other ladies exit the cab without her and that they were home at least three hours before her. It did not feel very good to catch her in lies like that.

Patience had started carrying her cell-phone constantly, never letting it out of her sight and putting it down only when she had to. When she served dinner I'd look at where she put the phone down and I would have a minute alone with it when I knew she wouldn't catch me. Every night I would sneak a peek at her calls and see what kind of messages she was getting. About a week after her night out with the girls, I sneaked a quick look and saw an incoming call from "Unknown." It was a little disconcerting.

Then, on Wednesday, Patience got a call from her mom saying her sister was in the hospital with an emergency but would be coming home that day. She asked if Patience would come for a while to help with her sister's kids. I said that would be a very nice thing to do as she probably can use the help. She packed her things and left the next morning. I took her to the airport and we hugged and kissed goodbye, wishing her a safe trip and to take good care of her sis.

Over the next few days we spoke on the phone a few times just to catch up and find out how her sister was. On my way to work Friday morning I called Patience and she answered but said she was pumping gas so she couldn't talk but would call me back in a while. It was 8:45 am so she couldn't be shopping already, so I phoned her sister's home. Sis answered and said Patience was in the shower so she couldn't talk right

now. Immediately, I called Patience again and she was really short with me saying she was at the cashier and that she'd call me back later.

The day she got back she was so loving to me. I had planned to confront her but she couldn't do enough for me – so I let her. She said she wanted to refresh herself after the flight and an hour later came out to the kitchen. I guess the look on my face was enough because she came in wearing a robe and my favorite 5-inch heels and leaned on the kitchen counter with her ass facing me. I couldn't believe this was happening, but I sure as hell wasn't going to hurt her feelings by not taking the next step. Sometimes a guy just has to suck it up and do the right thing.

I lifted her robe slowly to reveal a lacy thong. She knew I liked them but didn't own any. I placed my open palms on her ass and rubbed her backside from top to bottom and then all around. I squeezed and even pinched her soft, smooth cheeks. I brought a hand down between her legs and fondled her pussy, feeling the moisture seeping through the thin material. I heard her take in a deep breath and let it out; I think she was enjoying this as much as I was, perhaps even more.

I had to keep myself from drooling.

What I really wanted to do was rip her panties off, but instead, I did it slowly. As I pulled, I placed my wet tongue just above the top of her panties, licking and kissing as I pulled them lower and lower. I ran my tongue down to her crack from her spine almost to her tight little hole and I heard her groan. She smelled great too. She had never let me get this close

to her ass before. What made her allow this? But not being one to complain, I continued with my exploration in hopes that it would continue.

It was time to shed the panties and get a full view of her wonderfully sexy ass. I slid them down to the ground and she stepped out of them. I picked them up and put them to my nose taking in a big whiff. I believe my cock grew another inch! My tongue made its way back to her ass and I licked her all over while my fingers were playing with her pussy. I pressed a finger inside her moist, heavenly hot flesh while I licked her asshole. The juice was positively running out of her and she was swaying back and forth while moaning a deep growl.

It was time to release my cock; it wasn't fair leaving it all cooped up inside a pants. She must have seen me do this because she let out a loud moan. I buried my tongue into her ass as far as it would go but she was extremely tight. Little by little, my finger slipped inside her and she was shaking more and more. First one knuckle and then to the second.

I slowly pulled my finger out of her and she seemed to relax a little as her climax subsided. Her legs folded under her so I grabbed her by the waist and sat down on a chair as she collapsed onto my lap. I gently rubbed my hand all over her ass and pussy, enjoying the moment and the feel of her. Slowly she began to stir. She looked up at me with a contented smile.

"I have never experienced an orgasm like that in my life, babe. I know I've been a little stand-offish lately, so I wanted to do something special for you – and it turned out good for me, too. I never thought I was going to do it, but I had been practicing with small dildos and anal probes to get used to it, so I can do it with you." she said.

"I was thinking all sorts of bad things, but now that you told me, I can go on thinking all sorts of other bad things. You won't mind, will you?" I said back to her. She sat up and gave me a big hug and a wet, open-mouthed kiss that made me hard again. She must have felt me pressing against her be-

This was getting intense and I started stroking my cock. Now was the time! I buried the whole finger into her ass and she went off like fireworks. She put her arm across her mouth to stifle the scream and her whole body shook and went rigid. Juice just poured out of her pussy down her legs and onto the kitchen floor. This had to be one of the most intense orgasms I have ever seen Patience have!

cause she said, "No ,I won't mind at all, but now it's your turn to get off?"

Patience encircles my throbbing cock with her hands and pulls it close to her mouth. She looks up at me with big doe eyes and opens, flashing perfect teeth, and she pulls me into that big, wide beautiful hole! **I'm glad I had patience!**

JENNA

I feel like telling you about myself. I'm a quiet, once-nerdy girl who wore glasses and braces. I wore knee socks and cardigan sweaters with holes in the elbows. Then I went to college and my roomie showed me the light. She took me shopping. We went to the hair salon and changed my hair. And I got push up bras and sexy underwear. I also had sex for the first time. I've had a lot since then, but I think back to those college guys and how aggressive they were. I had more cock (and pussy) than I knew what do with!
